SELLING 65 HEAD

of powerful, voluminous and sound
performance tested bulls.

PLUS select females, donors & embryos

GB/SAS A CUT ABOVE Y115

ASA #2596929 BD: 1-3-11

SAS Sweet Meat x GB/SAS Top Black S115 (Top Dawg K220)

EPDs: +9.5 +2.4 +48.7 +74.3 +4.1 +3.8 +28.1

Carcass: +9.4 +.08 +.25 +.04 +.18

The most powerful, structurally correct bull to sell this year!!!
Calving ease, growth, carcass, muscle, killer looks, and did I
mention muscle. He has it all!!!

SAS MEAT WAGON

ASA #2596923 BD: 1-1-11

SAS Sweet Meat x ASR Little Rain U836 (HC Hummer 12M)

EPDs: +11.0 +1.6 +47.4 +76.9 +7.4 +3.2 +26.9

Carcass: +10.0 +.12 +.32 +.04 +.07

He combines the structural correctness, power, muscle and depth
of body of Sweet Meat, with the carcass, calving ease and perfect
profile of Hummer 12M

SAS BLACK GANGSTER

ASA #2596945 BD: 2-8-11

R Plus King of the Yukon x SAS Passion (Sweet Meat)

EPDs: +7.0 +1.4 +40.6 +64.3 +3.7 +7.5 +27.8

Carcass: +2.3 +.06 +.25 +.02 +.03

EPD's to change soon! The most volumous Yukon bull in the offering with
exceptional bone and muscle. Passion is a Sweet Meat out of Rio Bravo's dam.
She has a perfect udder, like all of the Meat females, kept her calf close like all
good mothers do, produced pounds at the top of her class and bred back right
on time. The kind of female I like to buy herd bulls out of!!!!

SAS PERFECT POISON

ASA #2596927 BD: 2-3-11

R Plus King of the Yukon x SAS Maxi (3C Full Figures)

EPDs: +4.4 +1.4 +41.1 +64.0 +2.4 +6.4 +26.9

Carcass: +2.1 +.06 +.13 +.01 -0.9

EPD's to change soon! Like all of the Yukon calves he possesses a huge foot
and bone, exceptional depth of body and killer looks. From the Maxi donor that
always produces exceptional base width and correctness, exceptional spring of
rib and picture perfect udders.
